# Letter from the Chair

I started to write this letter months ago. First, I was going to burble about our newly announced Special Guest, Dr. Kjell Lindgren. How he is an avid reader and his favorite genre is Science Fiction/ Fantasy. What he likes about Science Fiction is its perspective of what could be. How he grew up on Air Force bases around the world and has wanted to be an astronaut for as long as he can remember. How he grew up watching *Star Wars* (many times, he says) and played with *Star Wars* action figures. How he contacted us to ask if there was anything he could do to help Sasquan.

I'll tell you, when anyone says they are an astronaut and wants to help us, the first thing I do is to Google them. When I found him on the NASA site, I decided he was for real. Jill Eastlake, our Events Division Head, worked with Kjell and with NASA for over a year before everything was settled and we could finally announce him as a Special Guest. I hope you are just as excited as we are about actually having a member in space during the convention!

Then came the Hugo nominee announcements and the rush to get out the Hugo packets. The Hugo Ceremonies will have David Gerrold and Tananarive Due as the Masters of Ceremony. I am so pleased that they have agreed to do this and know they will do a great job. I know the Hugo Ceremonies committee is planning a great presentation that will be remembered for years. Please remember to vote for your choice of who should win a Hugo this year.

The Sasquan Staff had their last all staff meeting in Spokane at the end of May. We got together to not only get to know each other better (some of us have never met except by email and Skype), but to tour our facilities and find out what all has been happening in all the different divisions. Also, since everybody has to eat, we wrote reviews of restaurants we visited, to help the people putting together the restaurant guide. This was fun since there are so many great places to eat in Spokane.

I will be at Anglicon and Westercon prior to Sasquan. So if you are going to be at either of these conventions, look me up to say "Hi".

See you in August,

*Sally Woehrle*

# Explore Beautiful Spokane!

## “Near Nature, Near Perfect”

One of the highlights of attending any Worldcon is getting to experience each new host city. Spokane, Washington, is unlike any recent Worldcon venue. With a population of just over 200,000, it has the charms of a relatively small town but the culture and diversity of the second largest city in Washington. Located in the high desert between the Cascade Range to the west and the Rocky Mountains to the east, Spokane is a great place to experience the outdoors. Spokane has four distinct seasons; warm summer high temperatures of 80 to 90 degrees Fahrenheit (27- 32 degrees Celsius) plummet in the winter when the City typically receives four feet of snow. Be sure to allow some extra time in your convention schedule to ensure that you don't miss out on everything Spokane has to offer.

Located just steps from the Convention Center, **Riverfront Park** covers 100 acres along the Spokane River and offers more than just a place to have a picnic and enjoy the view of the Spokane River. It also contains an IMAX theater, amusement park type rides, and a carousel that is on the National Registry of Historic Places. For the best views, try **SkyRide**, a suspended cable ride over the Spokane Falls, or the **Spokane Falls Northern Railway**, a narrated tour through the park that will give you the history of Riverfront Park and Spokane. For a more active experience, walk, run, or bike part of the 37-mile long **Centennial Trail**, which runs through downtown Spokane as well as east across the Idaho border all the way to Coeur d'Alene. It also connects the convention center with Gonzaga University.

Founded in 1810 and incorporated in 1881, Spokane is steeped in American history. Named after Native Americans who lived in the area, Spokane means “Children of the Sun.” Learn more about Spokane at the **Northwest Museum of Arts and Culture**, which celebrates visual art, regional history, and American Indian culture. A number of **historic walking tour** maps are available for various areas of the city, including of the city park system designed by Frederick Law Olmsted, the father of landscape architecture. If historic architecture is your passion, then don't miss **Browne's Addition**, the longtime home of Spokane's upper crust and one of the few areas to survive the fire of 1889. The **Jundt Museum** at Gonzaga University showcases a variety of paintings, ceramics, photographs, and tapestries as well as a collection of Chiluly glass.

Whether you're looking for a quiet place to experience nature, hiking, rock-climbing, fishing, or watersports, Spokane has something for you. A number of companies offer bike rentals, white water rafting, and even calm wine and dine floats. **Riverside State Park**, located about 20 minutes north of Spokane, boasts 55 miles of hiking and biking trails as well fishing, kayaking, and water skiing. For some outdoor adventure closer to town, check out the popular **Minnenana Rocks** at **John C. Shields Park**. A more urban nature experience can be had at the **Manito Park and Botanical Gardens**, with five gardens and a conservancy ranging over 90 acres. It also contains two play structures, so the kids can work off some energy, and a duck pond for when you're looking to relax. The 65-acre **John A. Finch Arboretum** contains more than 2,000 labeled trees, plants and shrubs for you to explore free of charge.

Be sure to save some space in your suitcase, as Spokane offers a variety of shopping options. Don't miss the chance to round out your audio collection at **Four Thousand Holes**, an independent record store. If you're looking for a little entertainment, **Uncle's Games** or the adjoining **Auntie's Books** may have a solution. Or check out the many **boutiques in downtown**.

Spokane celebrates its agricultural heritage, and Sasquan will be taking place during the **Peach Festival**, in Mead, 10 miles north of Spokane. Sample some of the local bounty at the weekly **Farmer's Market** on 5th Avenue, which is open on Wednesdays and Saturdays.

Find out more about Spokane and plan your trip at **[www.visitspokane.com](http://www.visitspokane.com)**.

# Drink Like a Local

For many, the best way to experience a new place is through local food and drink. To avoid a wait, reservations are recommended. The restaurant guide will have many more suggestions, but here are some places to sample the best concoctions that Spokane has to offer. For a morning pick-me-up don't miss **Atticus**, a coffee shop and cafe, and check out its sister novelty shop, **Boo Radleys**.

If you want to try some local craft beers, you can try a new brewery every night. Here are a few options to get you started: **Steam Plant, Liberty Ciderworks, Perry Street Brewing Company, No-Li Brewhouse, River City Brewing, Iron Goat Brewing, and Orliston Brewing Company**.

These days, wine is produced nearly everywhere, but every region has its own flavor and Spokane is no exception. Try one of these local tasting rooms: **Arbor Crest Wine Cellars, Emvy Cellars, Barrister Winery, Latah Creek Wine Cellars, Robert Karl Cellars, Bridge Press Cellars, Cougar Crest Estate Winery, Whitestone Winery, and V du V Wines**.

## Sometimes it's the Journey

If your trip to Worldcon includes a road trip of any significant distance, you might as well enjoy your time. Here are some potential travel highlights from the two closest United States airports.

### From Portland, Oregon

Start your 350-mile, 5-1/2-hour drive from the Portland area, on scenic Highway 30. The **Historic Columbia River Gorge Scenic Highway** is a two lane road that starts just east of the Portland metro area and continues for 70 miles. At mile 25, you'll find the **Vista House at Crown Point**, which was built in 1916. The view from this clifftop house gives you an amazing view and is well worth the stop. You'll also want to be sure to stop for a picture of the majestic, 620 foot high **Multnomah Falls** at mile 30. When you reach the end of the Scenic Byway you'll find The Dalles. Visit the **Columbia Gorge Discovery Center** and **Wasco County Historical Museum** in order to learn all about the place you may only know as "the place everybody died of cholera" when playing *The Oregon Trail* in elementary school. From there, you'll continue following the Columbia River until taking Interstate 82 and Highway 395 northeast to Spokane.

### From Seattle, Washington

If you're making the 280-mile, 4-hour drive from Seattle, here a few of the highlights along I-90. At mile 24, take a 4 mile detour to **Snoqualmie Falls**, the waterfall featured in the opening of *Twin Peaks*. The waterfall on the road from Portland may be bigger, but it wasn't on TV! Stop for a stretch break at mile 140 to admire **Grandfather Cuts Loose the Ponies**, a steel sculpture of 15 horses galloping across a ridge. In the same area, the **Ginkgo Petrified Forest State Park** offers a picnic area along the Columbia River, a great place to enjoy your lunch. Twenty miles up the road, the **Gorge Amphitheater** is located in George, Washington. Face it, you're going to stop in George, Washington, if only to take a picture of the city limit sign, so you might as well check out something else while you're there.

## Opening Ceremonies

Sasquan is a celebration of the Great Northwest and how history, science fiction, and fantasy overlap. Meet our wonderful guests and get a taste of things to come. We are thrilled to have local Native Americans participating in the show. Want to be surprised and delighted? Don't miss our Opening Ceremonies, Wednesday at 3:00 PM in the Spokane Convention Center, Integra Ballroom 100B.

## First Night: Welcome to Spokane! Welcome to Worldcon!

First Night is your chance to get a taste of the convention and a taste of our host city. We'll start right after Opening Ceremonies on Wednesday. Meet and greet your fellow members of Sasquan. Take in a bit of Spokane. Music, laughter, fandom, fun. And don't be too surprised to see a parade or a hula hoop. We're not expecting an alien invasion, but you never know. Stranger things have happened.

## Guinan's Place Bar and Cabaret

We are excited to host Guinan's Place, a watering hole, bar, and cabaret, as part of Sasquan's Exhibits in Hall C throughout the convention. Drop in some time to sample a bit of space, some local beer at the bar, and share your talent on a cozy cabaret stage with a friendly audience.

In addition to live video streams of the Hugo Awards Ceremony and the Masquerade, we are hoping to have performances a few times throughout the day and evening for singers, magicians, jugglers, story tellers, comedians, performers of all kinds; and an occasional interesting science topic may be presented as well. Entertainment must be PG-13 at all times, as members of all ages are welcome to come in and sit awhile.

We need your help! We need some folks to host the area, to ensure that the seating is right, the shows are set, and the lines aren't long.

To sign up in advance to help host the bar for a few hours or to show your stuff, contact us at [cabaret@sasquan.org](mailto:cabaret@sasquan.org).

## Closing Ceremonies

Say farewell to Spokane and hello to Kansas City by reflecting on this Worldcon and looking forward to next year's. Our closing ceremony will cap off a great convention in a great city in a great year of Science Fiction and Fantasy. Parting is such sweet sorrow! Closing Ceremonies will be held on Sunday at 3:00 PM in the Spokane Convention Center, Integra Ballroom 100B.

# Events

Sasquan's Masquerade and Hugo Ceremonies will take place in the INB Performing Arts Center. Both will be live-streamed to 100B (Second Stage) and Guinan's Place. There will be beer available in Guinan's Place, and you are welcome to bring in food from nearby in Hall D.

## Welcome to the Sasquan Masquerade!

The Worldcon Masquerade is a judged costuming competition and stage show. Entrants are separated into divisions based on the costuming skill levels of the participants and judged by a panel (including some of our Guests of Honor and experienced Costumers).

Our Masquerade will be held on Friday, August 21. This is a very popular show, but there will be plenty of seating in the INB Performing Arts Center, so bring all your friends! The theater doors will open at 7:30 PM and the show will start at 8:00 PM sharp.

Kevin Roche will be the Master of Ceremonies for the evening. We will be using the International Costumers' Guild (ICG) Fairness Guidelines Division System for entries. If you are considering entering please go to the Sasquan website [www.sasquan.org/masquerade/rules/](http://www.sasquan.org/masquerade/rules/) for the details. You can pre-register online to reserve a spot.

Although it is advisable to premiere your Masquerade costume at the Masquerade itself, this is not mandatory. If we find you in a fabulous costume in the hallways of the Convention, we will recruit you into the Masquerade! If you are in doubt about entering, email us at [masquerade@sasquan.org](mailto:masquerade@sasquan.org) before arriving; or come by the Masquerade Registration table in costume or with a photo of yourself in your costume; or just talk to us about your costume, and we'll be happy to help you decide whether or not to enter.

Masquerade Halftime will feature a performance by Guest of Honor Tom Smith.

### **Volunteer!**

Don't forget — one of the best ways to participate in the production of the Masquerade is to volunteer! We can't do it without you — and we'll need help for all aspects of the Masquerade. Want to see everything up close and personal? We can use your help in the Green Room. Want to be in the middle of the action? Become part of the stage crew for the evening, wearing black, being by the stage and ensuring the safety of our entrants. Want to document the costumes in photos? We'll have a fan photo area. Want to do more? Write to us at [masquerade@sasquan.org](mailto:masquerade@sasquan.org), and we'll chat.

We're looking forward to a great Masquerade, with a special category based on Guest of Honor David Gerrold's books and stories. So join us — we'll have a blast!

## Hugo Awards

The 2015 Hugo Awards promises to be one of the most memorable ceremonies in years. Come be a part of history Saturday, August 22 at 8:00 PM in the INB Performing Arts Center. Your Masters of Ceremonies will be Sasquan Guest of Honor David Gerrold and Tananarive Due, and they've promised an entertaining ceremony. For those of you who won't be making the trek to Sasquan but watching the Hugo Awards live via UStream, we are bookending the 2015 Hugo Awards with *The Road to the Hugos*, a livestreamed internet pre-and-post Hugo broadcast featuring Stephen Schapansky and Warren Frey of *Radio Free Skaro*. The show begins one hour before the Hugo ceremonies and continues for an hour afterward.

Saturday will be one for the record books, don't miss out!

## Media

The Sasquan media staff has been working this past year to bring the very best in visual and audio arts to the members of Sasquan. Here's a taste of what's happening during Sasquan.

You'll find media happening throughout the convention in Spokane Convention Center rooms 203, 205 and 207. Larger programs will take place in the Spokane Convention Center Integra Ballroom 100B and 111C. Check your Pocket Program on site for exact schedules.

### Film Festival

The Sasquan Film Festival will be screening independent films from around the world. What are independent films, also known as "indie" films? Basically, these are films that are produced without the financial backing of major studios, which are more dependent on blockbuster type films. We are now in an indie film boom. Many award-winning shorts and features are being produced every year and seen only by film festival audiences. At the Sasquan Film Festival, the opportunity to see the best that indie films offer is yours.

The Sasquan Film Festival will be screening films in the Spokane convention center. The best in Science Fiction and Fantasy, Horror, Animation, Fan and Documentary films will be shown. Highlights include the screening of the documentary, *Lakeside: A Year with Jay Lake*, and horror shorts based on the writings of H.P. Lovecraft and Edgar Allen Poe. You'll also enjoy international animation shorts and more.

Come, take a load off, and enjoy the best of short films from around the world.

### Cartoons

Cartoons from an extensive personal collection will run three hours each day at Sasquan, featuring works from Disney, Warner Bros., Terrytoons, UPA, Universal/Lantz and other classic animators. Feature films — to be announced — will fill out the program!

### Audio Theatre

Science fiction and fantasy programs have been on the radio for nearly as long as radio has existed, but audio drama is rarely recognized at science fiction conventions today. Join us for a fantastical ride through the history of science fiction audio, visiting old favorites, new classics, and forgotten gems.

Blast off for adventure on a galactic scale with *Space Casey* and *Brad Lansky*! Let *Hammer Horror* make your spine tingle! Unravel mysteries with *Ruby the Galactic Gumshoe*, or just have *Firesign Theatre* explain the cosmos to you! And in the true spirit of radio programs of yore, the *Incomparable Radio Theater of the Air* will be on hand to present a live audio drama.

That's just some of what we've got lined up for you already, and we're not done yet. Stay tuned to this frequency for more exciting announcements!

### Anime

Immerse yourself in anime! From the current hits to the shows we all know and love, the anime department will be sure to have you coming back for more. Days will be themed from Comedy to Classics, Paranormal to Fantasy, and a healthy dose of science fiction on top, you'll be sure to walk into an anime that fits your style at any time.

## Movie Trailer Park Previews

Keith & Alan's Movie News and Previews are, in Worldcon-speak, sometimes called "Trailer Park. But why sit through a presentation of what are, essentially, commercials? Because they are so much more than that!

We think "movie previews" should be about more than just trailers. We will show a carefully curated selection of the latest movie previews for upcoming genre films (and talk about highly anticipated projects that are so far in the future they don't have a preview to show – yet). But you also get movie news and rumors from Hollywood and beyond. We also highlight the latest trends, innovations, and challenges for the industry and also the wider entertainment culture – TV shows, home video, theme parks – the whole gamut! Topics like:

- What's going on with the franchises – Marvel, DC, *Lord of the Rings*, Disney, *Avatar*, *Star Wars*, *Star Trek*?
- What's next for IMAX, 3-D, and High Frame Rate?
- What SF/F TV shows have been renewed for the fall? And what pilots are being filmed?
- Why did J.J. Abrams take on the new *Star Wars* movie, while he's also doing *Mission: Impossible* and *Star Trek*?
- What is Walt Disney World in Florida doing to combat the success of Harry Potter at Universal?
- How is Universal reacting and what plans do they have to expand their success? And what's the next superhero or franchise to get its own ride or land? – and a whole bunch more!

Keith Johnson and Alan Halfhill come from Norwescon, where theirs has been one of the most popular regular program for years.

**BLOCK OUT YOUR SCHEDULE:** We have now scheduled one of our two or three planned shows! We will be in Spokane Convention Center Room BAY111a, on Saturday from 4:00-5:30 PM. See you there!

## U.S. Premiere of *God is an Iron* at Sasquan

*God is an Iron* is a faithful theatrical adaptation of Spider Robinson's short story of the same name published in 1979 and later expanded into the novel, *Mindkiller*. The opening line is enough to tell what kind of story we're talking about: "I smelled her before I saw her." It's the story of Karen, a young woman and a "wirehead" at the very end of her rope; and of Joe, the mysterious man who discovers her and puts her back together. It becomes clear, however, that they are both broken in their own ways and that, while he saves her life directly, she may be saving his as well. Adapted and produced by Elizabeth Cano, the Director of Black Box Theatres of Montreal, Canada; directed by Bruce J. Lambie, also with Black Box; starring Tali Brady as Karen and Gordon Watts as Joe. The play will be performed Thursday at 9:00 PM in the Integra Ballroom 100B, followed by a question and answer session.

Note that this story is **not** for children. There will be a list of local suicide support services in the back of the accompanying program booklet.

If you are interested in finding out more about Elizabeth Cano, Black Box Theatres, or supporting Elizabeth's efforts to bring *God is an Iron* to Sasquan, the 73rd Worldcon, please go to: [www.indiegogo.com/projects/god-is-an-iron-taking-the-stage-play-to-worldcon#home](http://www.indiegogo.com/projects/god-is-an-iron-taking-the-stage-play-to-worldcon#home).

## Speculative Science Fiction Writers Workshops

Sasquan provides full attending members the opportunity to have their manuscripts evaluated by published writers and industry professionals who enjoy helping them grow as artists. The Sasquan Writers Workshop is divided into several sections of small critique circles for either experienced or beginning writers, based on the principle that good critiquing skills make good writing skills. The workshops are open to writers over 18, will last for three hours, require advanced sign-up and a \$25 fee. Sign-up for the workshops closes on June 24, 2015.

For more details on our Writers Workshops, see [www.sasquan.org/writers-workshop](http://www.sasquan.org/writers-workshop).

## Young Adult

The Young Adult program is building an exciting selection of panels, workshops, and activities for Sasquan's teens, as well as young-at-heart members. From dystopias to *The Wonderful Wizard of Oz*, zombies, fandom, *Girl Genius*, and horror, our YA panels have something for everyone, plus workshops and panels on writing young adult fiction. Panelists include Kate Elliott, Paolo Bacigalupi, Dan Wells, Marissa Meyer and other fabulous authors in science fiction, fantasy, horror, and more.

## Kids

Kids activities will run during the day for Sasquan's younger members between the ages of 6 and 12.

# Program

## Super Science Saturday

Saturday's programming will have a special focus on science. We'll take over Guinan's Place in Hall C for displays and demonstrations between 10:00 AM and 6:00 PM. The demos will include *Evolutionary Robotics* (smartphone-powered robots whose behaviors evolve), an exhibit of virus sculptures constructed from crystals, glass beads, and stones, and a display of projects constructed by the local maker community. The Mobius Science Center & Children's Museum promises a science demonstration with audience participation that will highlight experiments and demonstrations using Tesla coils, Van Der Graaf generators, supersonic ping pong ball cannons, and chemical experiments that go "BOOM". We are also planning a series of lectures on black holes, future economics, antimatter, northwestern geology, and the future of aging.

## Award Ceremonies

In addition to the Hugo Awards, other awards ceremonies at Sasquan will include the Chesley Awards, Prometheus Awards, Sidewise Awards and the Golden Duck Awards. If your organization has an award to hand out during Worldcon, please write to [program@sasquan.org](mailto:program@sasquan.org) by June 30 and we'll see if we can fit it in.

## Student Poster Competition

The 2015 World Science Fiction Convention is looking for high school students, undergraduate students, graduate students, or post-doctoral scholars to participate in its Super Science Saturday event. Saturday programming will include talks, exhibits and demonstrations. There will be a \$100 prize for the poster that best communicates science to the general public. To participate, send an email to Sam Scheiner ([posters@sasquan.org](mailto:posters@sasquan.org)). Please include your name, your academic affiliation, the poster title, and an abstract of no more than 100 words. The deadline for entries is July 1, 2015.

## Late Night Program

While we need to be out of the Convention Center by midnight, there will be some function rooms on the first floor of the DoubleTree Hotel that will run all night. Rooms for Video, Gaming and Filking will be open 24 hours a day in the DoubleTree.

2015 Worldcon Guest of Honor

## Maker

We are looking for panelists to talk about how they use their Maker and Hacker skills to complement their writing/drawing/world-building. Do you physically build your world for your stories using a 3D printer, CNC mill, or laser cutter? Do you virtually build one, and if so, what software do you use?

How else do you combine your Maker skills with your science fiction and fantasy efforts? Would you be willing to do a panel, share your tips with others, or do a demonstration/workshop? If you have experience along these lines, write to [program@sasquan.org](mailto:program@sasquan.org) and include the word "Maker" in the subject line.

## Costume

Costume Programming is focusing on workshops and demonstrations, so you can leave Sasquan with new skills and understanding that you can apply to future costumes, garments, and wearable art. Of course, we will have panels, too.

No costume-related topic area will be left uncovered, if it can be helped! We have lots of interesting topics in the works.

One item of note will be the *Masquerade Show and Tell*, where the people who competed in the Masquerade the night before will display their costumes, so you can see them up close. They may even tell you how they did a technique or made a particular item.

## Gaming

Sasquan Gaming Programming will have panels on computer and video games, board games, and roleplaying. Game designers, authors, artists, and fans will discuss not just how good games are made but how games can inform and inspire other aspects of fannish creativity. Panels we are preparing include *Writing For Video Games*, *The Best Video Games Ever!*, and *The Game Designer's Toolbox*, among others. Whether you already love gaming as part of your fandom or are interested in learning more, please feel free to join us!

## Classics of Science Fiction Discussions

John Hertz will be leading three discussions on classic SF books during Worldcon:

R. A. Lafferty - *Past Master* (1968)

C.S. Lewis - *Out of the Silent Planet* (1938)

A. E. Van Vogt - *Slan* (1946)

You can find these books at most libraries, used book stores, or through [amazon.com](http://amazon.com). Even if you haven't read the book, stop by to learn about these classics of SF.

- The Alchemists — our science minds
- The Cunning Artificers — arts and crafts
- Discworld Musicians and Singers — filking and other fun
- Engravers & Printers — our writers and editors
- The Dark Clerks — folks who like to organize both paper and people behind the scenes
- The Bakers — lovers of food and drink who may be leading some of our pub crawls
- The Witches & Wizards — cunning women and men who love history, myth, and folklore
- The Black Ribboners — Discworld folks in recovery
- Various Discworld Family Groups; and more.

We will have a memorial for Sir Terry as part of the Sasquan Program. Remembering Terry: <http://it-bodes.blogspot.com/2015/03/north-american-discworld-fans-remember.html>.

## Exhibits

### Discworld Exhibit

Sir Terry Pratchett's *Discworld* humorous fantasy series will be represented by an exhibit at Sasquan. Intended to act as an introduction to Discworld for those unfamiliar with the series, it will include fun references for long-time fans as well. Items displayed will include a mix of official merchandise, vintage and handmade items, costume assemblages, a memorial to Sir Terry Pratchett, and a demonstration of the "Discworld: The Ankh-Morpork Map" app. We look forward to welcoming Sir Terry's many fans from around the globe at Sasquan.

## Kaffeeklatsches, Literary Beers, & Pub Crawls

Kaffeeklatsches and Literary Beers are opportunities for fans — 10 at a time — to meet with their favorite writer or artist. A Pub Crawl takes about 20 fans on a walk through downtown Spokane to visit a few local bars and brewpubs. Advance sign-ups will be required. Typically, the sign-ups take place in person at the convention. However, there's a chance that we will be able to offer online sign-up for these items. Watch the Facebook account ([www.facebook.com/sasquan](http://www.facebook.com/sasquan)), Program Twitter account (@[sasquanprogram](https://twitter.com/sasquanprogram)) and Website ([www.sasquan.org/program](http://www.sasquan.org/program)) this summer for more information about whether online sign-up will be available and how to sign-up.

### Meetup Signup

Meetups (A.K.A. Discussion Groups or Special Interest Groups) are organized by individuals or groups and not by Sasquan. Most meetups are scheduled during off-peak program times between 9:00 AM and 10:00 AM or after 5:30 PM. Space permitting, you can organize a discussion of your favorite Marvel superhero or have a meeting of your local club at Worldcon. Other common meetups include Friends of Bill W. and Black Ribboners (both for fans in recovery), informal religious services, and the like. To request a time and a room for a meetup, write to [program@sasquan.org](mailto:program@sasquan.org) by July 15 and tell us the name of your group, who's responsible for this meetup, roughly how many people you expect, and whether you prefer a morning or an evening time slot. Please note: no outside food or drink is allowed in Sasquan program space, but food or drink bought inside the Convention Center is fine in any function room!

# Special Guest Dr. Kjell Lindgren

Sasquan is excited to welcome NASA Astronaut Dr. Kjell Lindgren as a Special Guest in Spokane. Well, sort of.

Dr. Lindgren is currently serving as a Flight Engineer on the International Space Station (ISS) Expedition 44 and 45. He will be answering questions about his work on the ISS in a series of taped interviews which will be shown at Worldcon.

Dr. Kjell Lindgren was born in Taiwan, went to school in England and Virginia, and currently calls Texas home. He is a family man, enjoying board games, video games, and Tae Kwon Do with his kids. He

has a lifelong interest in science fiction and fantasy; his list of favorite authors includes Orson Scott Card, Tom Clancy, Arthur C. Clarke, Ernest Cline, Joe Haldeman, Robert Heinlein, Stephen King, George R. R. Martin, C. S. Lewis, Patrick Rothfuss, Brandon Sanderson, Neal Stephenson, Kim Stanley Robinson, J. R. R. Tolkien, Vernor Vinge, Bill Watterson, and Connie Willis. He says, “My path to space has been paved with books,” and for him a book appears on the mission patch for ISS Expedition 45. He has a particular interest in reading and education, hoping to share and broaden the path that led him into space with today’s students and tomorrow’s spacefarers.

Dr. Lindgren is a board-certified practitioner of emergency medicine and aerospace medicine. He has a Bachelor of Science in Biology from the United States Air Force Academy, a Master’s degree in Cardiovascular Physiology, and a Doctorate of Medicine from the University of Colorado. He completed a three-year residency in emergency medicine, including a year as chief resident, at the Hennepin County Medical Center in Minneapolis, and completed a National Library of Medicine Post-Doctoral Fellowship and Master of Health Informatics at the University of Minnesota, as well as a two-year residency in Space Medicine and Master of Public Health at the University of Texas Medical Branch in Galveston. He served as a deputy crew surgeon for STS-130 and ISS Expedition 24 and was selected for the astronaut training program in 2009. He was CAPCOM (spacecraft communicator) for ISS-30 in 2011-2012.

During his expedition, Dr. Lindgren will work on a variety of experiments involving crystal growth, zero-g combustion, and robotics. His research will also look at how the human body is affected by the rigors of spaceflight, specifically, the aging process, muscle wasting, bone loss, radiation exposure, and long-term isolation.

The official poster for ISS Expedition 45; Dr. Lindgren is on the lower left.

# Sasquan Hotel Report

Sasquan has been adding additional hotels via the convention and visitors bureau (CVB), Visit Spokane, which oversees our housing bureau system. Besides the contracted hotels (Davenport, DoubleTree, Grand, Red Lion At The Park, and Red Lion River Inn) we've added smaller hotels that are within one (1) mile of the Spokane Convention Center (SCC): Best Western, Holiday Inn Express, Quality Inn Downtown, Ruby, and Ruby2. The CVB continues to work with other nearby hotels for additional rooms to add to our block. If you still need a room reservation, please check back periodically using the system online ([www.visitspokane.com/sasquan](http://www.visitspokane.com/sasquan)). Should you have any reservation issues, please send an email to [hb@sasquan.org](mailto:hb@sasquan.org), which goes to the CVB and Sasquan's Facilities Team. Remember: if you make a reservation with a hotel and don't use our housing bureau system, then we don't get credit for your stay (which negatively impacts our budget), and we can't help you with any reservation questions or problems.

We are currently negotiating contracts with the Davenport and Grand for using their suites. Once these addenda are completed and signed, we'll begin assigning groups and parties ("meet and greets" in Marriott terminology) to the contracted suites. The suites at the DoubleTree and at the two Red Lion hotels are already contracted for, and we are assigning them now.

We will be using all of the function space at the DoubleTree Hotel for Sasquan, and some events will be held at the Davenport. Details will appear in the program schedule when that is completed. We are currently not using any function space at the Grand or Red Lion hotels. The Consuite and Staff Den will be at the DoubleTree using suites with overflow rooms.

If you have any questions about space at the hotels, please write to [facilities@sasquan.org](mailto:facilities@sasquan.org).

## Accessibility

The accessibility team is excited about Sasquan, and we plan to make the convention accessible to fans with a variety of needs. Please read more at:

[www.sasquan.org/accessibility](http://www.sasquan.org/accessibility).

Forms for mobility scooter rentals will be posted on our website shortly. The scooters will be available for pickup after noon on Tuesday and must be returned by 8:00 PM Sunday, unless special arrangements are made in advance.

If you have any questions about access at Spokane, please write to:

[accessibility@sasquan.org](mailto:accessibility@sasquan.org).

## Shuttle Service

Sasquan is currently negotiating with transportation vendors to provide shuttle service between the Convention Center/DoubleTree/Grand complex and our outlying contracted hotels for the days of the convention. We anticipate that the service will run as a continuous loop throughout the day, with additional vehicles added in the evenings and on Hugo Award and Masquerade nights to meet the expected demand.

All vendors with whom we are working have scooter/wheelchair access. We hope to achieve a maximum wait time of 20 minutes during the day (and we're workin' hard for 15!) and 10 minutes at peak times during the evening. We anticipate scheduling stops at the Davenport Hotel and Tower (the party hotel), the Red Lion Hotel at the Park, and the Red Lion River Inn, as well as the Convention Center/DoubleTree/Grand complex.

Additionally, many of the convention hotels may be willing to use their hotel shuttles to transport their guests to other destinations in downtown Spokane, including the Convention Center and other hotels.

# Childcare at Sasquan

We are thrilled to have chosen KiddieCorp ([www.kiddiecorp.com](http://www.kiddiecorp.com)) as the professional childcare provider to Sasquan. KiddieCorp has worked regularly with Worldcons in recent years, in L.A., Denver, Montreal, Reno, Chicago and San Antonio, and has an excellent understanding of our needs and interests.

KiddieCorp's service will be available to all children aged 12 or under as of the start of the convention. Child memberships costing \$90 are available for all children in this age group and include 8 hours of free childcare. Alternately, a total of 8 hours of free childcare are included with Family Memberships. Additional hours are then chargeable at a rate of \$10 per hour. Children under 6 can attend the convention as Kids-in-Tow without paying a membership fee, but will not receive any free childcare and will therefore need to pay the \$10 per hour charge for all childcare hours that they use.

Please note that your children must be registered with the convention (whether with Child/Family memberships or as Kids-in-Tow) before they can be booked into the KiddieCorp service.

The childcare service will be located in one of the two hotels connected to the Convention Center. We have included evening services on Friday and Saturday to enable parents to attend the parties as well as Masquerade and/or Hugo Award Ceremony. Please note that children can only receive a maximum of 10 hours of childcare on any single day. The childcare service will be available during the following hours (subject to change):

Wednesday 8/19: 1:00 PM – 6:00 PM  
Thursday 8/20: 9.30 AM – 6:00 PM  
Friday 8/21: 9.30 AM – Midnight  
Saturday 8/22: 9.30 AM – Midnight  
Sunday 8/23: 9.30 AM – 3:00 PM

Childcare capacity is limited and we urge parents to book all childcare hours in advance

where possible, so we can ensure adequate staffing and service.

Full details of the service arrangements and how to book are available on the Sasquan website. We anticipate that booking will be available online as well as by post, and that KiddieCorp will accept bookings directly from Sasquan members. Places will be limited and allocated on a first-come, first-served basis, so please book well in advance.

If you have any questions about childcare services, please contact Lisa Garrison-Ragsdale, Childcare Liaison, at [childcare@sasquan.org](mailto:childcare@sasquan.org).

## **Possible Kiddiecorp Children's Activities**

KiddieCorp will be offering a wide variety of activities tailored to the different age ranges from babies through to 12-year-olds. The exact program will be designed for us, but may typically include:

- Artist Alley — beaded jewelry, fun paper bag hats, colorful collages, and more — including the child's very own hand-puppet to take home.
- Adrenaline Rush — group games such as Simon Says, Relay Races, Duck-Duck-Goose and Red Light Green Light, plus playing in fun children's tents or going through an obstacle course.
- Peaceful Play Land — relaxation in a quieter area, with books for all ages and story time throughout the day. There will also be tea sets and play food for the children who like to play grocery store or house.
- Construction Zone — an area dedicated to blocks and Lego, plus a Play Doh sculpting station.
- Tiny Tikes for Infants and Toddlers — the youngest children will be surrounded by tactile toys to stimulate fun and learning. There will be soft building blocks, stacking toys and activity centers, plus various ride-ons, toddler books, and sing-a-longs with favorite nursery rhymes. To help the kids stay on their napping schedule, we will do our best to have everyone settle down for a rest a couple times throughout each day.

# Get Involved ~ Volunteer!

Alas, there is no special membership rate for volunteering at Sasquan, and volunteers must buy a membership. BUT — in addition to the undying gratitude of the convention committee and all of science fiction fandom, volunteers working 20 hours or more will receive membership reimbursements (subject to funds availability). Extra credit can be earned for work during move-in and move-out. So what are you waiting for? VOLUNTEER.

Work as a volunteer will also grant you access to the Staff Den, where you can unwind and partake of light refreshments. After each four-hour shift, a volunteer will receive a one-use pass to the Den, and after a total of 20 hours an unlimited pass. Again, extra credit will be given for work during move-in and move-out.

Volunteers will also be eligible for prize drawings and freebies that won't be offered to other members.

For reasons that we're sure don't have to be explained, volunteers under age 18 must have the signed consent of a parent or guardian.

## Open Positions

### EVENTS DIVISION

Processions Coordinator — We need one or two people (who can work together) to select themes for, advertise, organize, and walk small processions or parades from just outside the Convention Center through the Park once or twice a day throughout the convention. This is an Area Head position that works directly with the Division Head and Deputy Division Heads. Themes have been and will continue to be collected. Final selections will be made in cooperation with the Division Head. The Coordinator will select and walk the path and ensure that the participants enjoy the walk and attract attention from passers-by, in only the most positive way!

Film Festival — Volunteers needed to supervise the Film Festival room in four-hour shifts. Some computer skills needed as films are placed on computer play list. Great for lovers of independent films.

Anime Theater — Volunteers needed to supervise the Anime Theater in four-hour shifts. Duties include making sure that A/V is working correctly and that minors do not enter at inappropriate times. The theater will be open 24/7, so late night shifts are available.

Audio Theatre — This track will showcase science fiction recordings from the Golden age of Radio to present day. We're looking for people to put in a few hours playing CDs, taking notes on attendance, and making announcements.

First Night — First Night is Sasquan's Big Event for Wednesday evening. We're looking for performers, organizers, and people to help with set-up and/or clean-up of the biggest outdoor Worldcon party ever!

Masquerade — The Masquerade needs Registration Desk Personnel, Rehearsal Wranglers, a Green Room Den Leader, a Check-In Clerk, and a few other jobs.

Event Ushers — Ushers needed for the Hugo Awards, the Masquerade, Opening and Closing Ceremonies, and various other events.

### EXHIBITS DIVISION

Art Show — Volunteers needed for set-up, hanging mail-in art, helping artists with registration, packing up unsold art and tear-down.

## PROGRAM DIVISION

**Program Setup** — We need people from 9:00 AM - noon on Wednesday 8/19 to help with set-up in the Convention Center. Meet at 206A at 9:00 AM.

**Autographing** — Need line wranglers during the day to help keep the autographing lines moving smoothly. No prior experience necessary, but you may be standing for long periods. On the plus side, you get to see your favorite authors up close.

**Children's Programming** — Want to see Worldcon from a younger point of view? Come play with us in Children's Programming. There will be plenty going on from making things, to discussions, to playing games. Enjoy being a kid again!

**Kaffeeklatsches** — We need volunteers to help with the sign-up table for kaffeeklatsches.

## TECH DIVISION

**A/V Coordinator** — Tech is looking for a volunteer to work as an A/V coordinator before and during the convention.

**A/V Staff** — Tech is looking for staff for move-in, operations during the convention, and move-out.

**At-Con Volunteers** — Tech is looking for volunteers with sound, lighting, and video experience for work starting Tuesday before the convention until the final day of the convention (8/18 - 8/23).

## FINANCE DIVISION

**Treasury Staff** — Six experienced staff for at-convention Treasury work. Volunteers should have references and experience working treasury at other conventions.

**Registration Staff** — Volunteers needed for the Registration Desk, beginning on Tuesday. Four-hour shifts. Experience not required, only a friendly and helpful attitude.

## PROMOTIONS DIVISION

**Web Content** — Several volunteers to work with departments to gather and post content to website. Writing skills required, HTML/CSS a plus. Should be willing to learn and use WordPress. An hour of work a day.

**Web Development** — Help develop PHP/SQL content for the Sasquan website

## FACILITIES DIVISION

**Hotel Liaisons Area Head** — The head of the Hotel Liaison Area will supervise the liaisons with the individual hotels and deal with issues that cannot be resolved at lower levels. Experience as a hotel liaison at a Worldcon or regional convention is highly desirable.

**Hotel Liaisons** — Each hotel with which Sasquan has a contract will require a liaison. Some may need more than one. The hotel liaison will respond to all issues that arise at the assigned hotel, which may range from improper room setups to garbled reservations to alleged misconduct by convention members. Experience will be useful but is not mandatory.

**Housing Bureau Liaison** — The primary duty of this position is to coordinate with the convention's housing bureau to ensure that members' reservation requests are handled properly and to respond to questions and complaints. Most of the work will be done before the convention and on the first two days.

**Party Maven** — The Party Maven obtains information about public parties, informs them of the applicable rules (with particular mention of

Washington State's peculiar liquor laws), takes steps to rectify rules violations, and deals with any problems that arise. The Davenport has been designated as the party hotel, so the work of the position will be easiest for someone who is staying there.

**Suites Maven** — The Suites Maven assigns suites at the party hotel (the Davenport) to parties and to individuals who request them. This position requires a thorough knowledge of fannish protocols and will probably involve negotiation with the numerous claimants to suites.

## OPERATIONS DIVISION

**Truck Loaders (move-in)** — Volunteers needed Sunday before con (8/16) in Seattle to load trucks headed to Spokane.

**Truck Unloaders (move-in)** — Volunteers needed at the Spokane Convention Center, Monday 8/17 at 3:00 PM, to unload trucks with Sasquan supplies.

**Truck Directors** — Two volunteers are needed Tuesday 8/18 to direct Dealers and Exhibitors unloading wares.

**Truck Loaders (move-out)** — Volunteers needed to load Sasquan supplies into trucks at the end of the convention on Sunday 8/23 and Monday 8/24.

**Truck Unloaders (move-out)** — Volunteers needed Tuesday after con (8/25) to unload Sasquan supplies from trucks in Seattle.

## SERVICES DIVISION

**Information Desk** — We're looking for friendly people who are good at reading schedules and maps, giving directions and answering questions politely. The more, the merrier!

**Sign Shop Assistant Coordinators** — We are looking for two or three individuals willing to dedicate time to the organization and operation of the on-site Sign Shop. There is an especially great need for someone who will be available as early as Monday but definitely by Tuesday morning. Assistant Coordinators will share responsibility with the Coordinator for getting the shop up and keeping it running before and during the convention. Typical tasks include assembly of pre-printed signs onto foam core board, organizing pre-printed signs for distribution to the correct departments, and printing new signs as requests come in.

**Sign Assembly** — Volunteers needed on Tuesday, 8/18, to assist with the assembly of pre-printed signs onto self-adhesive foam core boards. (Spray adhesive will NOT be used!) Tasks include cutting foam core boards down to fit required sign sizes and careful attachment of pre-printed signs onto the boards.

**Transportation Area Head and Coordinators** — Sasquan plans to provide shuttle service between the Spokane Convention Center and the convention hotels. We need an Area Head to make arrangements with a shuttle company and one or (probably) more coordinators to make sure that the buses run on time and to handle any problems that arise.

**Off-Site Tour Manager** — We're looking for a pre-con volunteer to coordinate with local tour vendors and attractions and to manage tour sign-ups at con.

**Giveaways to Members** — Two volunteers needed to inform publishers and studios about how to send materials to Sasquan, arrange for the storage and delivery of items, plan distribution and dispose of leftovers after the convention.

**Disposal Unit** — Two volunteers needed to manage disposal of supplies, equipment and furniture purchased by the convention. Volunteers needed for at-con and post-convention work.

Please use the subpage for paying the voting fee for the 2017 Worldcon site selection. You will receive a voting token; please enter it on your ballot.

You may also cast your signed ballot prior to Sasquan by email by first paying the Advance Supporting Membership fee online and then emailing your signed ballot to [ballot2017siteselection@sasquan.org](mailto:ballot2017siteselection@sasquan.org).

### Mailing Instructions:

1. Mark your vote and fill in the membership and payment details on the other side of this sheet.
2. Include your name and address on your ballot. **You must sign your ballot.** In addition to this information being used to validate the ballot, we will provide it to the winning bid so that they know who their members are. This information will be kept confidential.

4. Ballots may be submitted by postal mail to the indicated Post Office Box in Pennsylvania or as a PDF document sent to [ballot2017siteselection@sasquan.org](mailto:ballot2017siteselection@sasquan.org). # About the Hugo Awards and Voting

The Hugo Award is the leading award for excellence in the field of science fiction and fantasy and are awarded each year by the World Science Fiction Society (WSFS) at the World Science Fiction Convention (Worldcon). The finalists for this year's Hugo Awards and the John W. Campbell Award for Best New Writer were announced on Saturday, April 4, 2015. We are delighted to report that participation in the nomination process reached a record high this year with 2,122 valid ballots being cast (2,119 electronic and 3 paper), compared to the previous record of 1,923 set by Loncon 3 in 2014.

The announcement of the finalists was made simultaneously at four conventions around the world. Our thanks go to Norwescon (Seattle, Washington, USA), Minicon (Minneapolis, Minnesota, USA), Dysprosium (London, England), and Reconnaissance (Rotorua, New Zealand).

The Hugo Awards will be presented at a formal ceremony on Saturday, August 22, 2015, at Sasquan, the 73rd World Science Fiction Convention, in Spokane, Washington. We currently plan to continue the recent tradition of streaming the ceremony live via the Internet, enabling fans around the world to experience the event.

The official website of the Hugo Awards is [www.thehugoawards.org](http://www.thehugoawards.org), where you can find the full history of the Hugo Awards as well as the names of past nominees and winners, information about the voting process, a gallery of past trophy designs, and more. The Sasquan website also contains more information about the Hugo Awards for members who may not be familiar with them.

Sasquan members will also be entitled to nominate for the 2016 Hugo Awards and John W. Campbell Award for Best New Writer, which will be administered by MidAmeriCon II, the 2016 Worldcon. Nominations for the 2016 Awards will open in January 2016.

## How to Vote

The Hugo Awards use an instant runoff ballot. To vote, mark your choices in each category in order of preference: "1" for first place, "2" for second place, and so on. You are not required to rank all the nominees in any category, and we recommend that you not vote in any category where you are not familiar with a majority of the nominees. If you decide not to vote in a given category, leave it blank. Note that "No Award" is not an abstention; it means that none of the nominees should be given the award in question.

When the ballots are counted, all the first place votes will be tabulated. If no nominee receives more than half the votes, the nominee with the fewest first-place votes is eliminated and its votes are transferred to the nominees marked "2" on those ballots. This process of elimination continues until one nominee receives more than half the votes, at which point it becomes the winner (unless the votes are outnumbered by "No Award" votes under specific conditions described in Section 3.11 of the WSFS Constitution).

Please note that second and further preferences play no part in the vote unless and until your first choice is eliminated. This is not a point system where the second choices of many voters can overwhelm the first choice of a few voters. We suggest that after marking your first choice, you proceed by imagining that it has disappeared from the ballot, and placing your "2" by the remaining nominee you most prefer, and so on. This mimics the way the ballots are actually counted. Thus, even if your heart is set on one nominee, don't hesitate to give "2" (and other rankings) to other nominees you also consider worthy of the award.

Choose all your preferences carefully! If your top choices are eliminated early, your lower preferences could be the tiebreaker between the remaining nominees. No matter how much you dislike a nominee, if you rank it, the vote will be counted if all of your previous choices are eliminated.

# Making the Rules: The WSFS Business Meeting

Worldcon is the annual gathering of the World Science Fiction Society (WSFS). Your Worldcon membership makes you a member of WSFS. The rules of WSFS, including how the Hugo Awards work and how we select future Worldcon sites and committees, are in the WSFS Constitution included in Worldcon publications and on the WSFS web site ([www.wsfs.org](http://www.wsfs.org)). WSFS does not have a Board of Directors or some mysterious “them” making its rules. Every Attending member of Sasquan (including Military and Young Adult, but not including Single-day memberships) may attend the WSFS Business Meeting, a kind of town meeting, where members propose, debate, and vote upon changes to the WSFS rules. Supporting members may submit proposals but cannot attend the meeting. Single-day and Child memberships do not include voting rights.

Any two or more voting members (including Supporting members) may submit proposals to the Meeting. The deadline for submitting proposals is August 6, 2015. The easiest way to submit proposals is to email them to the Business Meeting (address below). There are other methods outlined in the Standing Rules, which are included in Sasquan’s publications and available from the WSFS web site. Any change to the WSFS Constitution that passes for the first time this year in Spokane will be forwarded to next year’s Worldcon (MidAmeriCon II in Kansas City) for ratification; if ratified there, it will become part of the Constitution.

WSFS Meetings are scheduled for 10:00 AM on the second through fifth days of the convention. The meeting location will be in the program schedule and in the convention newsletter. There is no proxy voting or remote participation. You do not elect delegates. You represent yourself. Meetings are conducted under formal parliamentary procedure, the WSFS Standing Rules, and the WSFS Constitution. You do not need to be a rules wizard to participate. The Business Meeting team will help.

Look on the Sasquan web site under “Hugos & WSFS” for more information about the Business Meeting, including a longer “Guide to the Business Meeting” and the Agenda, which includes proposals passed on from last year, as well as new proposals submitted to this year’s meeting. We update the agenda as we receive new proposals.

The Business Meeting team is here to help you, the members of WSFS, craft proposals and guide you through the process of being part of the Society’s government. Contact us at [wsfs-business@sasquan.org](mailto:wsfs-business@sasquan.org) with any questions or to submit proposals.
