THE GROUNDS & JURISDICTION:

(j) The grounds on which the winding-up order is sought are:

In March 2026, the Ministry of Housing, Communities and Local Government announced a cap on donations from overseas electors would be enacted and backdated to the date of the announcement, 25 March 2026. In July 2026, Nigel FARAGE, as director of REFORM UK PARTY LIMITED ("REFORM"), stated that REFORM would pay the cost of a by-election which subsequently took place in the Clacton constituency. Laila CUNNINGHAM, REFORM's candidate for Mayor of London, was interviewed by LBC and insisted FARAGE would "put his money where his mouth is". The by-election attracted a record number of candidates from the far reaches of the Commonwealth, including two from Australia and one claiming to be from outer space. Candidates, including the petitioner, incurred expenses permitted by the electoral regulations. On the night of 13/14 August 2026, Nigel FARAGE evaded the other candidates at the declaration of results and usurped the Returning Officer by organising a rival event where he declared himself the winner. In the same speech, he vilified the petitioner and other rivals as "NOBODIES". On 26 August 2026, invoice D-CL-001 was duly served by email upon treasury@reformparty.uk to recover the promised election expenses. On 1 September 2026, a Statutory Demand (SD1) was served at the registered office by a professional process server. On 9 September 2026, the media announced the Metropolitan Police Special Enquiry Team is conducting a criminal investigation into REFORM (the debtor) in relation to illegal foreign funding. On 11 and 12 September 2026, overseas electors pledged significant funding to REFORM while simultaneously admitting the funds may be disputed based on the legislation announced 25 March 2026. Both of these donations come from the same industry sector, cryptocurrencies, which reeks of a Ponzi scheme. If the debtor, REFORM, has accepted these donations knowing they will be invalidated by the pending rule changes then it raises serious questions about whether the debtor is currently solvent and if so, whether their solvency status will foreseeably change the moment the new rules are enacted into law. 18 September 2026 was the deadline for candidates to submit their Election Returns. The petitioner noted the 7 July pledge from FARAGE / REFORM as an unpaid donation pledge on his official Return. 21 Days have passed since service of the Statutory Demand and REFORM / Nigel FARAGE have so far failed to "put his money where his mouth is".
