REFORM UK PARTY LIMITED

(The "Company")

APPLICATION FOR AN ADMINISTRATION ORDER

1. APPLICATION

The Applicant applies to the Court for an Administration Order in respect of **Reform UK Party Limited** (Company No: 16260766), having its registered office at Millbank Tower, 21-24 Millbank, London, SW1P 4QP, pursuant to Paragraph 12 of Schedule B1 to the Insolvency Act 1986(and whatever other regulations may be applicable).

The Applicant requests that control of the Company be immediately transferred to a qualified and licensed Insolvency Practitioner, acting as Administrator, to protect the assets of the Company and manage its affairs for the benefit of its creditors (and the rank and file members who are not overseas billionaires).

2. GROUNDS FOR APPLICATION

This application is made on the following statutory grounds:

1. **Insolvency of the Company:** The Company is, or is likely to become, unable to pay its debts within the meaning of Section 123 of the Insolvency Act 1986.
2. **Failure to Comply with a Statutory Demand:** The Creditor served a formal Statutory Demand on the Company's registered office. The statutory 21-day compliance period expired on 24 September 2026 without payment, securing, or compounding of the debt to the reasonable satisfaction of the Creditor.
3. **Presumption of Insolvency:** By virtue of the Company's absolute failure to respond or satisfy the outstanding debt detailed in the Statutory Demand by 24 September 2026, the Company is deemed unable to pay its debts under Section 123(1)(a) of the Insolvency Act 1986.
4. **Purpose of Administration:** The appointment of an Administrator is highly likely to achieve a better result for the Company's creditors (also rank and file members and public

interest) as a whole than would be achieved if the Company were wound up immediately without an interim management framework.

3. PARTICULARS IN SUPPORT

1. **The Debt:** The Company is justly and truly indebted to the Applicant in the sum of £5,009.21, representing unpaid election expenses, promised on 7 July 2026 and repeated verbally in the press on multiple occasions, contractually owed by the Company.
2. **Statutory Demand Service:** A Statutory Demand in the prescribed form was formally served by leaving it at the Company's registered office address on 1 September 2026.
3. **Non-Compliance:** The Company failed to pay the debt or offer any reasonable security within the mandatory 21 days. The period closed on 22 September 2026. The debt remains entirely unpaid and unsatisfied.
4. **Urgency and Need for Control:** Immediate administrative intervention is required. The Company's core operational management faces severe disruption, including public scrutiny over incoming capital and corporate governance structural disputes. Independent oversight via an Administrator is critical to prevent the dissipation of remaining assets and to review the validity of current operational funding pipelines. (Lay person: the Met police announcement their involvement on 9 September 2026, in the middle of the 21 day statutory demand window. There is concern about good money and bad money being mixed. Public statements by overseas donors state they intend to usurp the backdated changes to election regulations. An administrator can keep those monies segregated and ensure they are returned to the donors when the legislation achieves Royal Assent)

4. PROPOSED ADMINISTRATOR

~~The Applicant proposes that [Name of Insolvency Practitioner] of [Firm Name and Address], a licensed Insolvency Practitioner authorized to act by the [Insolvency Body], be appointed as the Administrator of the Company. The proposed Administrator's formal consent to act (Form 2.2B) is filed alongside this application.~~

Due to the political nature of the organisation, a licensed Insolvency Practitioner may not volunteer and consent to act. Therefore, it is proposed that the name of a licensed Insolvency Practitioner be drawn out of a hat.

5. RELIEF SOUGHT

The Applicant respectfully requests that the Court:

1. Grant an **Administration Order** in respect of Reform UK Party Limited under Paragraph 12 of Schedule B1 to the Insolvency Act 1986 (or any other applicable law).
2. Direct that the costs of the Applicant in relation to this application be paid out of the assets of the Company as an expense of the administration.
3. Make such further or other orders as the Court deems just.

Dated this 25th day of September 2026.

Signed: Daniel Brook
